Leader: See how very much our Father loves us, for he calls us his children!

People: But the people who belong to this world don't recognize that we are God's children because they don't know him.

Leader: Dear friends, we are already God's children, but he has not shown us what we will be like.

People: But he has not yet shown us what we will be like when Christ appears.

All: And all who have this eager expectation will keep themselves pure, just as he is pure.
